Liam: Book Tav for 2/9

Venue

- The tav!
- Yay

Finances

Expenses

- Not right now

Venue Hire

- In the past it was \$440
- We will need to ask about AV equipment, but it should come with the booking

Liam: Ask Tav about venue hire and space limitations

Catering

- Last year was pizza and chips
- This worked well and we're happy to do something similar again

Liam: Ask tav about catering costs

Security

- Usually we don't need to pay too much for security
- There will often just be security for the first hour (because we good nerds)

Liam: Check with tav about security

Ticket Pricing

- This will most likely be impacted by venue hire and spaces available
- 2019 pricing scheme:
 - \$15 per person
 - Or earlybird \$100 for a table of 8 (which is \$20 discount)

- 2019 pricing scheme should run at profit

Advertising

- We can't start advertising until EMP is finished
- Alistair is up for making posters
 - Make sure to include the club logos, sponsors, costs, time, way to get tickets, 18+

Alistair: Make some posters

Ticket Selling

- Panto often uses QPay for tickets
 - this would then not require physical tickets
- Could do both online and physical tickets
- Vote for ticket format: Online tickets passes

Liam, Davis, Grace, Alistair: Look into online tickets

Prizes

- UCC:
 - Ideas are: cheap arduinos (UCC president keen on this), usbs, hardware in the club that isn't in use (e.g. a fan)
 - In the past: mouse pads, usbs
- UniSFA:
 - Got some cool books, including a very pretty norse mythology book
- Unigames:
 - Getting prizes from Tactics
 - It's gonna be \$50 of prizes
- Panto:
 - Tickets to next shows
 - Liam will talk with committee about other things

Liam: talk to committee about prizes Alistair, Grace: buy some prizes

Wooden Spoon Prize?

- UniSFA had the idea of a nice picture of Winslade
- A wooden spoon prize should be something cool that you wouldn't want but also don't not want
- UCC had the idea of some old RAM
- Unigames suggestions: 2000s toys (e.g. bratz), small monopoly
 - Bratz are rare now
 - Loom bands!?
- Either give one prize to the table or each person a prize
 - we like each person gets a prize
- Maybe cheap pokemon cards?
 - Or even yugio?
 - Liam mixes up pokemon and yugio and is bullied

- Footy cards

Everyone: Keep thinking about wooden spoon prizes

Expected attendance

- 2018: Around 80 people attending
 - This is like 10 tables
- Good estimate: 100 people

Profit Split

- All in favour of splitting everything easily
- Lightmittie needs to keep a spreadsheet of expenses

Quiz Structure

Rounds

- 10 rounds, 10 questions
 - 4 specific club rounds
 - music, sport, what's your major (not too specific though), history, 2000s pop culture, world events, science, myths
- Club rounds should be about what the club is about, not about the actual club
- Table rounds
 - maybe we do 2 separate table rounds at different points in the quiz (beginning/half way)
 - first could be logic puzzles or word games
 - second one could be shitposts/fuck arounds
 - e.g. draw your favourite ship, credit card and fraud jokes, pitch the next rick and morty episode
 - possibly a comparison between the 2 rounds

Gwen, Chase, Grace, Davis: Start darkmittie things

Mini Games

- Side minigames is a lightmittie thing
- Coin roll
 - Try to get coin close to another coin
- Prize could be quiz night prizes or points
 - Maybe separate table for mini game prizes
- How many jelly beans in the jar?
 - or skittles, or snakes
 - Just any lolly which is cheap and goes into jar

Marketing Strategy

Theme

- 2000s
 - Technically there wasn't a theme for quiz nights that weren't 2020
 - But we like theme
 - This will be our theme
