

Joint Camp Subcommittee Meeting #1 22/02/2021 Attendance:

- Alistair Langton
- Merlin Hoskins
- James Arcus Meeting Opened: 1:56pm Date of Booking
- Exams for Semester 2 end on 13th of November
- Our two options for bookings were the weekend of Friday 19/11 and Friday 26/11
- We all agree that the earlier week is the better option o This weekend is still available, but we should book soon if we want Manjedal Venue:
- James discussed looking into other venues o Unigames and UniSFA have looked into other venues when Lechanaultia became too expensive o Manjedal is probably the best option Booking:
- Best course of action is to have UniSFA make the booking so it doesn't get confused with the Unigames booking at Manjedal
- UCC have a bank account so can make the payment the most easily Risk:
- If the event ends up falling through, depending on the time that it occurs we may be able to tranfer the booking time/details to be for Unigames camp 2022, at which point Unigames will reimburse UCC and UniSFA for their portion of the deposit Meeting closed: 2:04pm All: Get committee's to approve splitting \$1000 deposit Merlin: Book Manjedal for 19/11 - 22/11 once budget is approved James: Pay invoice when it arrives o Joint Camp Subcommittee Meeting #1
